Deliver the Gift of Education to Youth in Need Around the Globe

Dear Friends,

Despite another incredibly challenging year, Visions' global education programs have continued to thrive in 2021, thanks in large part to the incredible generosity of people like you!

Our Visions teams in Sri Lanka, India, Ethiopia and Nicaragua have all made major advances over the course of the past year. Looking to 2022, we have several major initiatives in the works, including:

- Launch of our long-awaited reboot of the Visions Leadership Program in Jaffna, Sri Lanka
- Commencement of classes this January for our inaugural class of 82 young women students at Escuela Vera Angelita in Matagalpa, Nicaragua
- Initial global launch of our TabSchool digital learning platform in early 2022, initially featuring our pre-K English content
- Expansion of our Deaf education & empowerment services and community outreach through our Visions Center for the Deaf in Hawassa, Ethiopia
- Planned graduation of 9 more university scholars and expansion of our leadership & life skills training program in the state of Andra Pradesh in India

In the image above, you can see just a few of the ways your giving can make a difference in the life of a young person in need! A little donation can go a LONG way...

There is still time to make your 2021 contribution and take advantage of the tax deduction incentives, but your donation must be made today. Please contact us at info@visionseducation.org if you would like to discuss your gift at all.

Thank you for helping us through these trying times and ensuring that the youth & communities we serve in Sri Lanka, India, Ethiopia and Nicaragua have uninterrupted access to quality education.

With gratitude,
Greg & Meera
Visions Co-Founders
