

Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life

ANISHMA

Candidate for GNM Nursing

Grace College of Nursing, Kanyakumari, Tamil Nadu, India

Earlier this year, Anishma suffered a terrible loss and traumatic event when her father fell from a tamarind tree and died in front of her eyes in a pool of blood. When her mother and other relatives panicked, she attempted to administer first aid to her father with the hope of saving him. His loss has only solidified in her the calling she feels to become a nurse. Simply put, she wants to save lives and believes that with the right education and training, she might be able to do just that.

Being from a scheduled caste, young women like Anishma rarely get such opportunities to pursue higher education. Leveraging Visions' reputation in supporting various schools and educational programs in the Kanyakumari area, Visions India staff were able to get major concessions (a 50% reduction in total fees) for Anishma to attend the privately run Grace College of Nursing.

Anishma has expressed her exuberance at being given this opportunity and feels a renewed sense of hope and purpose in being able to pursue this path for herself.

For just \$25/month, you can make Anishma's university dreams a reality!

Anishma is 1 of 21 young women who were selected to receive a Visions scholarship this year, provided funding can be secured...which is why we need you! Through the Visions Youth Guidance & Support Program, she received support with college applications, career counseling, interviews, English-language training, field visits, scholarship / financial aid assistance, and more. She now needs only minor financial assistance for tuition and living expenses to be able to realize her university dreams. Please become a sponsor by setting up a recurring contribution of just \$25/month, and we'll keep you informed of her progress over the next 1 year.
